

We hope you and your families are well during this unprecedented time and wanted to give you an update as to what we are doing. Like you, we are closely monitoring developments related to the COVID-19 virus, particularly the guidance offered by local, state and federal health officials. Though we've not yet experienced a direct impact on our business, we are prepared to continue to serve you as the situation develops.

Your health and health and the safety of our associates, their families and our communities is our primary concern. Thankfully, several years ago we made an investment to develop systems that will allow our staff to work remotely. We can be reached via our normal channels of phone, email text and web page during regular business hours.

Rest assured that The Dunn Group and our carrier partners are prepared to support you during this challenging time.

If you have an after-hours concern, claim or emergency, you can contact your carrier directly.

And be sure to check our Facebook page for updates.

Thank you for your business and be safe.

*The Dunn Group Team*
